

USING PICASA TO VIEW PHOTOS

1) Click on a photo on the PYC Web Site
NEW Picasa - Click a picture to open the album.

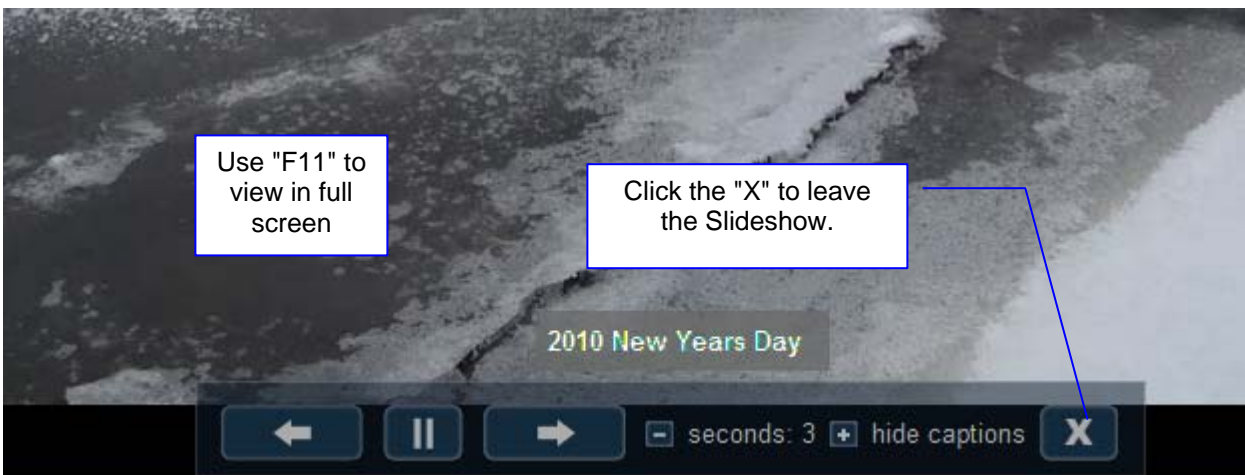

2010

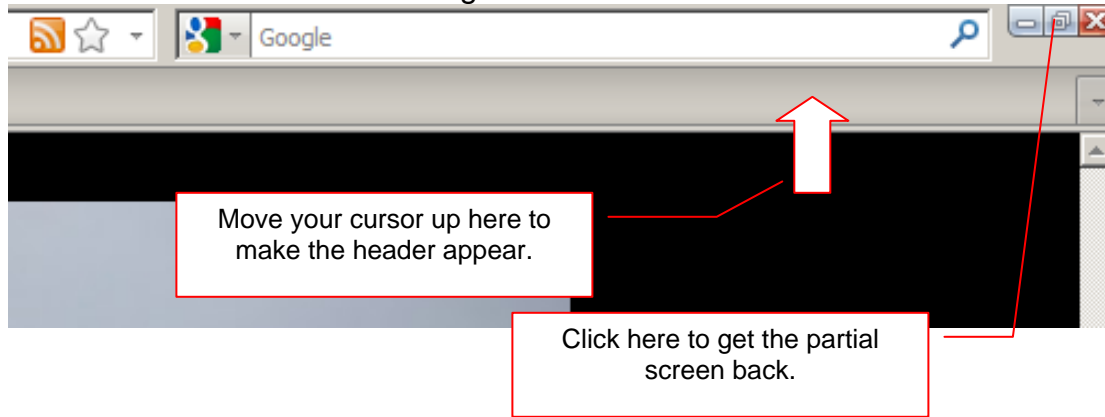

2) Picasa will open and show you all the photos in the album.

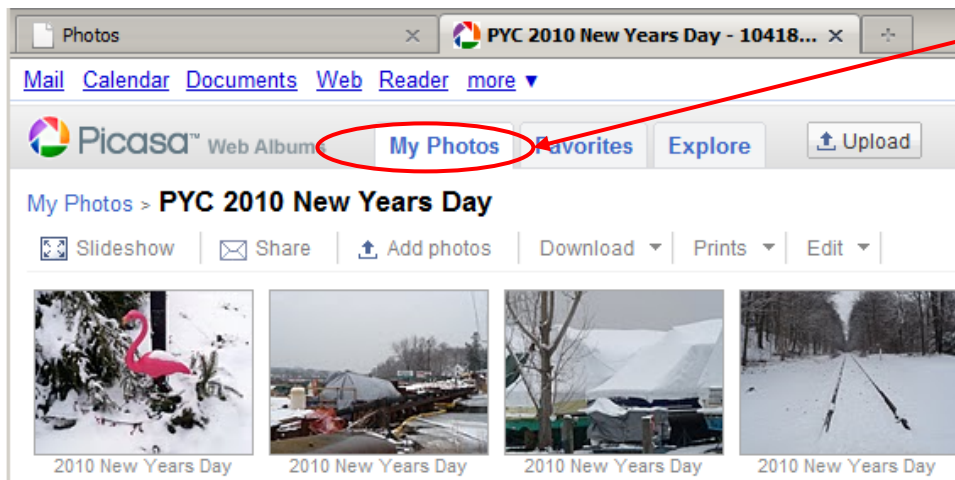

3) Move your cursor to the bottom to see the Slide Show Controls

4) If you use F11 to see the photos full screen, you can move your cursor to the top of the screen to minimize the screen again.

5) To see more photo albums without returning to the PYC Photo page click on "My Photos"

6) Choose another album to view.
