

Petzolds Marine Center

Upcoming Schedule of Events

We are excited to announce our schedule of seminars for the next few months leading up to the spring launch season. We hope you will find at least one or more of the seminars to be of interest for you. You are welcome to attend all and please feel free to bring a friend. Just give us a call and let us know which ones you wish to attend so we have enough seats and coffee etc.

We hope you all had a safe and happy Christmas holiday and are looking forward to the 2012 boating season. We are anticipating another exciting spring season - from the boat shows to new products in our Ship's Store "On The Second Floor" to helping you get your "babies" ready for launch.

So, give us a call and get signed up - what better way to survive the winter months but spending it in a boat yard!!!

This Month

BASIC BOAT AND MOTOR MAINTENANCE

Saturday, January 21, 2012 - 9 am to 12 noon

We are excited to announce that a representative from the Quox Corp. will give a presentation on air conditioning and refrigeration maintenance. We will also discuss all aspects of onboard systems including engines (both gas and diesel), generators, water and electrical systems as well as the proper maintenance for the exterior of your vessel. We will have time for a group discussion, so bring a list of all your questions. The seminar is FREE and you are welcome to bring a friend. Call us to reserve your spot at 860.342.1196.
